THE DEPUTY DIRECTOR OF CENTRAL INTELLIGENCE

1-13-77

Dear George:

I have learned the full extent of the difficult but effective work you did in helping to achieve the President's Award given to me yesterday. I am deeply appreciative of all you did.

The award is far more than a high personal honor for me. It recognizes all of the people who serve the Agency and the government so well. I am proud to be associated with them and particularly with those like you who excel in every respect.

Thanks again.
